Fort St. George, Madras-9.

Pr. No. 27609/Job., dated 23-4-1954.

Sir,

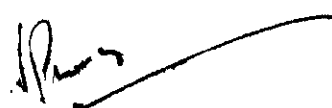

Sub:- Non-standardized forms relating to the Government
Silk Filatures, Kollegal - Printing at private presses -
Sanction requested.

W 5 of R

In the Government Order No.826/ Education, dated 10-4-1953 the Director of Industries and Commerce was permitted to get the non-standardized forms relating to the Government Silk Filatures, Kollegal printed at private press, for a period of six months from 1-4-1953. But the above work has not so far been entrusted to private presses as the quotations called for from the private presses were sent to the Superintendent, Government Press only on 28-10-1953 by the Director of Industries. As the time limit given by Government for entrustment of work to private presses was then over, the quotations received were not considered as the Director of Industries was informed in December 1953 that if he could wait till March 1954, the printing of non-standardized forms would be undertaken by the Government Press.

Therefore the Sericultural Expert, Kollegal has now renewed the proposals and requests the Superintendent, Government Press to take up the printing immediately. The position now is that due to the formation of Andhra State, the printing of non-standardized forms has been doubled. Receipt of the heavy work of over 930 items in all from the Government offices of Andhra State was not at all anticipated, when the Sericultural Expert, Silk Filatures, Kollegal was informed that his work could be taken up in March 1954. In addition to this, the Accountant-General, Madras has delayed his usual indent for account forms and registers by more than a month this year and is requesting me to make up for the delay by expeditious printing and supply.

Under the circumstances explained above, I request that Government may be pleased to permit the Director of Industries and Commerce, Madras to get the forms required by the Sericultural Expert, Government Silk Filatures, Kollegal printed locally by inviting fresh tenders from private presses.

para.1 p1 cf

In G.O. Ms. No. 826 Edm dated 10.4.53, the Govt. permitted the Director of Industries and commerce to get non standardized forms relating to Govt. Silk Filatures, Kollegal printed at private presses for a period of six months from 1.4.1953. The Controller of Stationery and Printing now reports that the above work has not so far been entrusted to private presses as the quotations received from private presses were sent by the D.I.C to the Govt. Press only on 28.10.53, by which date the time limit mentioned in the G.O. was over. The quotations were not therefore considered by the Controller and the D.I.C was informed that if he could wait till March 1954, the work would be undertaken in the Govt. Press.

2. The ~~Sericulture~~ Sericulture Expert, Kollegal has now renewed the proposal and has requested the Govt. Press to ~~undertake~~ take up the work immediately. The Controller has reported that due to the formation of the Andhra State, the printing of non-standardized forms has been doubled and

there has been a receipt of over 930 items in all from the Andhra State which was not anticipated when the ~~Sericultural~~ Sericultural Expert was informed that his work would be undertaken in the Govt. Press in March '54.

Further, it is stated that the A.G. Madras has delayed his usual returns for accounts forms and registers by more than a month and is requesting the Press to make up for the delay by expediting printing and supply.

3. Under the above circumstances, the controller has requested Govt. to permit the D.T. Sec. to get the forms required by the Sericultural Expert. Govt. Silk Filatures Kollegal printed locally by inviting fresh tenders from private presses.

A para 3 p14

4. The Controller's request at A above may be supported in this dept as the work in the Govt. Press is at present very heavy on account of the fact that it has to attend to the printing work of both the Madras and the Andhra States.
